

Ready to reach school business leaders who have purchasing power?

2026-2027 Advertising & Sponsorship Opportunities

The Pennsylvania Association of School Business Officials, or PASBO, is a statewide association, 4,200 members strong and growing. Our mission is to develop and support leaders in school business operations. We strive to fulfill our mission by providing members with professional development, networking opportunities, various opportunities to enhance their leadership skills, advocacy and timely access to legislative and policy news as well as business solutions that help them to meet the challenges of school operations.

Our school members are professionals working in finance, accounting, operations, facilities, transportation, food service, technology, communications, human resources, purchasing, payroll, and school safety management. While diverse in areas of specialty, all members share a common goal - to work towards providing a safe, healthy and state-of-the-art environment in which students across Pennsylvania can learn and grow. Our members build the foundation for learning.

Our advertising and sponsorship opportunities allow PASBO business members to showcase their products and services that help school business leaders do their jobs in a more effective and efficient way. Advertising in *PASBO Report* and sponsoring events is a great way to initiate and develop relationships with decision-makers in LEAs throughout Pennsylvania!

ADVERTISING

During FY 26/27, PASBO will publish, print and mail **PASBO Report** to all 4,200+ members quarterly. (Fall, Winter, Spring & Summer)

PASBO Report will also be published digitally to the PASBO website and posted in the library of the CORE Community of pasbolink, our online community.

PASBO Report is a great channel to advertise your business and get your name and products and/or services noticed by school business leaders. Take a peek inside for details on opportunities, timelines and pricing.

SPONSORSHIPS

There is no better way to gain the attention of school business leaders and begin to build those all-important relationships than to sponsor PASBO and our learning and networking events.

Taking advantage of the benefits of sponsorship will allow business members face-to-face time with school leaders who are the decision-makers. Sponsors will have opportunities to learn their customer's needs and how they can work to best meet them.

Expand your REACH

PASBO Report

PASBO's full-color print and digital magazine is packed full of articles, examples of best practices in school business and practical 'tips' to assist school business professionals in meeting the challenges of their jobs. Many readers look to *PASBO Report* to find business partners to help them meet their needs in terms of products and services.

Market

One thing *PASBO Report* readers do have in common is the fact that they all play a critical role in purchasing decision-making. In total, Pennsylvania schools have a combined budget in excess of \$45 billion. Nearly \$5 billion statewide is utilized by schools for purchasing a vast array of products and services to meet the needs of students and employees. *PASBO Report* helps you reach these purchasers in schools all across Pennsylvania.

The magazine highlights innovative ways in which PASBO is working to support members and offer opportunities for them to enhance their careers, build their skills and knowledge base, increase their professional network and find business partners that can assist them in efficient and excellent school business operations.
